STELLA™ Acoustic Movable Glass Walls

BE ILLUMINATED BY KWIK-WALL™ AT TWO UPCOMING EVENTS

Learn more about flex-spaces at two educational trade shows in March.

Springfield, IL, February 23, 2023 – Kwik-Wall Company, the largest US-owned manufacturer of operable partitions and movable glass walls, will be exhibiting at two upcoming education market trade shows. First, Kwik-Wall will be supporting a local distributor at the upcoming Pennsylvania Association of School Business Officials from March 14 -17. Visit with a corporate Kwik-Wall operable partition representative at booth #6 at the Kalahari Resort & Convention Center in Pocono Manor, PA. More information about the conference can be found at PASBO. <https://conf.pasbo.org/2023/>

In addition, Kwik-Wall is exhibiting at the Association for Learning Environments (A4LE) Midwest Conference's "Industry Partners Expo" from March 16 – 18 at Hyatt Regency Columbus, OH. As one of the events overall sponsors, Kwik-Wall will feature their new Luminous™ line of glass movable partitions that work to enhance student engagement within flexible school classrooms. These systems have acoustical performance that meet or exceed ANSI standards and offer interior daylighting to reach deep into classrooms to meet LEED v.4 IEQ requirements. Back painted glass options offer schools optional glass writing surfaces built right into the systems. For more information about this event, please visit: https://www.a4le.org/midwest/2023_Region_Conference

About Kwik-Wall Company

Founded in 1961, Kwik-Wall™ Company is a US family-owned operable partition manufacturer that offers a complete line of acoustically rated folding panel partitions and glass movable walls systems from three separate Midwest manufacturing facilities. Kwik-Wall offers a broad range of 3- and 4-inch thick steel and aluminum-framed panel

constructions that allows schools, offices, hotels, convention centers and other commercial facilities to divide and utilize space most efficiently. All Kwik-Wall products can contribute to achieving LEED v4.1 project goals especially recycled material content, acoustic performance, and daylighting. Employing nearly one-hundred dedicated team members, Kwik-Wall Company products are sold and serviced by more than 100 distributor partners throughout North America.
