

# Hufcor® 600 Series Operable Walls

## Standard Trim Color Options

- >> Hufcor trim paint colors meet AAMA 2604 paint standard for high performance and durability.
- >> Visible plastic and vinyl parts are color matched to the trim color shown.
- >> Gray and Bronze options are color matched to the trim color shown.
- >> Panels have black sweep and bulb seal gaskets. All other visible plastic and vinyl parts are color matched to the trim color.

*NOTE: Actual color may vary from what is shown due to variations in the print and powder coating processes. Room lighting may also change the color's appearance.*
